Strategy

As a direct result of our core competencies and highly qualified team in place, our annual turn over is US \$ 8 million (Bahraini Dinar 3 million), with a monthly freight turnover is excess of 250 tonnes by Air and 200 TEUS by Sea freight.

With Freight Forwarding as our core activity, we have diversified into Logistics & Distributions, Shipping Agency, Removals, and Trans border services. Committed to quality, we have been relentless in pursuing strategies and operational efficiencies to continually improve our services rendered and never be satisfied with the status quo.

OUR SERVICES

AIR FREIGHT

Your Single Source for Global Air Freight

When there is no other option, you must move your time-sensitive goods by air. But the challenges of dealing with multiple carriers can distract you from your core business. To consistently meet your freight deadlines no matter how tight, you need a global airfreight partner serving major destinations worldwide. With decades of experience and competitively priced solutions, AL MULLA LOGISTICS offers a single stop to manage your global airfreight needs.

Keep Your Business Sailing Worldwide

OCEAN FREIGHT

AL MULLA LOGISTICS offers a full array of Ocean Freight and Transportation Services across the globe. We can handle shipments of any size, from less-than-container loads (LCL) to full container loads (FCL), special equipment, and in/out-of-gauge and oversized cargo.

From almost any origin, destination or carrier, we can provide streamlined freight forwarding services to book your cargo, arrange for pickup and delivery, and manage the shipping documentation. With years of experience and turnkey solutions, we facilitate the complete freight forwarding processes according to your specifications, while ensuring to abide by the requirements of the respective import and export countries.

As one of Bahrain's leading Non-Vessel Operating Common Carriers (NVOCC), we maximize your routing and transit time options by managing your ocean shipments door-to-port, port-to-port, and door-to-door with ease globally.

You can choose from our flexible ocean freight services for anything that suits your requirements best, based on your timing, cargo size and equipment needs.

FEATURES

- Dependable transit schedules and sailings from major ports worldwide
- Access to space allocations with major carriers
- Network of consolidation centres and regional gateways to manage cargo flows • EDI connectivity with vessel operators
- Door-to-door service
- Advanced tracking of your shipment milestones and reporting options

Transit insurance:

To protect your cargo against any accidents, during long voyages and through multiple handling points at various check points and customs, AL MULLA LOGISTICS offers you comprehensive insurance coverage while your goods are in transit.

PROJECTS

Porsche: The “Unleashed Tour 2016” held in Amwaj Islands, Kingdom of Bahrain for Porsche in January of 2016 in which Al Mulla was responsible for setting the stages and providing logistical support for transporting the cars from KBSP (Khalifa bin Salman Port) to the Island. Handled on behalf of EFM Global, a multinational specializing in project and event cargo on behalf of automobile companies around the world.

Alstom: 40' Flatrack container in transport to KBSP bound for Rijeka Port, Croatia carrying machinery parts on behalf of Alstom, a French based manufacturer specializing in a variety of production and maintenance solutions for the railway sector.

Imerys: Movement of a Transformer for Imerys Al Zayani Fused Minerals, a multinational specializing in mineral-based solutions, from KBSP to their warehouse site on a specially arranged flat-bed trailer.

Harley Davidson: Example of one of Harley Davidson's most iconic motorcycles, the “Fatboy”, which is imported weekly in bulk through Full-container loads (FCLs) from the United States for showrooms all over the Kingdom of Bahrain.

Afcon: In 2011, Al Mulla handled the local transportation of a portable cabin on behalf of Afcon Infrastructure, an Indian based manufacturing company, which till today stand across from Al Mulla Logistics headquarters in Mina Salman Industrial Area.

SPECIALIZED SERVICES

HAZMAT CARGO (DG HANDLING & SHIPPING)

Logistics can be incredibly challenging, especially when dealing with Hazmat Cargo. With our well trained hazmat team equipped with the necessary facilities and standards as required by international guidelines and government authorities AL MULLA LOGISTICS has assisted many clients with their Hazmat shipments, from perfumes to radioactive materials. Our network, expertise, capabilities and turnaround time uniquely position us to lead the industry in this line of business. We aim and work towards converting challenges into success stories, minimizing risks & maximizing results.

CUSTOMS BROKERAGE

With our proven customs brokerage and in-house customs team, AL MULLA LOGISTICS is the global provider to turn to when you need a single trusted source for your customs requirements. AL MULLA LOGISTICS is your single source to manage international trade.

CARGO TRANSSHIPMENT

With Bahrain as a regional hub, AL MULLA LOGISTICS has been able to leverage the opportunity in providing trans-shipment services for Import consolidation to/from global origins into the GCC via Bahrain. With an improved infrastructure at the Airport & Sea Port facilities to cater to Trans-shipment activities, we are well-equipped to handle and distribute cargo throughout the Middle East. One of our most innovative services is our simplified handling of Trans-shipment cargo with detailed update of consignment and fast tracking facility.

SASO OR CoC (CERTIFICATE of CONFORMITY) FOR INBOUND SHIPMENTS INTO SAUDI ARABIA & IRAQ

Importing consumer goods in the Kingdom of Saudi Arabia has become a challenge for Saudi imports, a primary challenge being the form of the SASO (CoC) Certificate. Our Trans-shipment services assist customers with their SASO / CoC requirement to facilitate the smooth movement and customs clearance of their cargo to their final destination, be it Saudi Arabia or Iraq.

WAREHOUSING & DISTRIBUTION SERVICES (CONTRACT LOGISTICS): RELIABLE, AFFORDABLE ANSWERS TO YOUR EVERY LOGISTICS NEED

With an in-house warehouse AL MULLA LOGISTICS can offer warehousing and distribution facilities to handle the in-and-outs, storage, inventory control, and local/international distribution that suit your needs best.

IOR & EOR Services {Importer / Exporter of Records}

This new innovative service has been established to meet the needs of international traders by providing a single organization to fulfill all their Importer of Record (IOR) and Exporter of Record (EOR) requirements in the Kingdom of Bahrain & Saudi Arabia. This allows companies to easily expand into new markets without the burden and exposures of establishing new legal entities.

Marketing & Freight Booking

Keeping Principals, Owners, and Masters duly informed about the Port conditions and local regulations, Accurate Performa disbursement for vessels calls. Timely dispatch of reports as per Principals requirements

Accounting Disbursements

With a professionally qualified team who with their technical expertise on handling vessels ensure a quick turnaround of vessels calling under our Agency.
